ORANGE COUNTY

Coach/Player Platform

www.thecoachingmanual.com

- LA Galaxy Orange County have a partnership with The Coaching Manual in order to provide our players, parents & coaches with an online soccer platform to manage the development of young players within the club
- LAGOC will be one of the first clubs globally to adopt this revolutionary soccer management tool. This will be a key benefit for our club staff & members to track & record the development of players & teams
- TCM will support our aim of providing innovate coaching and performance methods, alongside high-level resources
- LAGOC will have their own dedicated club site within the platform, accessible only by coaches, players, parents & administrators

ORANGE COUNTY Soccer Development Platform

ORANGE COUNTY

Benefits to Players

LA Galaxy Orange County players will be able to create a Player Account on The Coaching Manual to;

- Watch individual player skill videos performed by professional academy players of the same age
- Complete player challenges & record their scores to compare against other players in the club, as well as players in USA & across the world
- View upcoming LAGOC training sessions designated by the team coach
- Interact with articles containing information on tips to develop & become a top soccer talent
- Communicate with LAGOC team mates & coaches to discuss everything soccer!

ORANGE COUNTY Soccer Development Platform

ORANGE COUNTY

Benefits to Parents

Parents of LA Galaxy Orange County players will be able to access their son/daughter's Player Account on The Coaching Manual to;

- Review your son/daughter's 6-week Player Evaluation Review & Match Reports, completed by the team coach, to track your child's development
- Watch upcoming LAGOC training sessions designated by the team coach
- Receive information on upcoming fixtures, training sessions, kick off times, venues & kit requirements
- View articles & videos produced by soccer-industry leaders on everything from nutrition, skills to practice with your child, tactical insights & player development models
- Provide you with tips on how to support your son/daughter in fulfilling their soccer potential
