LA Galaxy Orange County Creates New Competitive Youth Soccer Club

Aligned with the recent announcement of a brand new [recreational program](#) LA Galaxy Orange County, an organization that's helped a generation of players at all ability levels, is creating a new, competitive soccer club in West Orange County for players looking to take their game to the next level.

In a partnership with the long established FC Premier, LA Galaxy OC has created a premier level program, as a development of it's player pathway, fully supported by the mission, vision and core values instilled in each and every one of its staff and coaches.

LA Galaxy Orange County provides:

1. Player pathway, grassroots to professional

College aspirations and beyond, LA Galaxy Orange County has a defined pathway to success!

2. 5 Star coaching model

Delivering coaching consistency and periodised training across all levels

3. College placement program

With proven success, each player and family has knowledge, support and understanding of the college process.

4. Professional standards

In line with the very best standards of the MLS, as the alliance club of LA Galaxy.

"This is another huge moment in the development and progression of LA Galaxy Orange County and is a measure of our commitment and vision to be a champion for Orange County", said Tim Woodcock, LAGOC Director of Operations. "We are delighted to partner with FC Premier and create the LAGOC West elite competitive program. Our objective is to build the best soccer development program in Southern California, with pathways to the highest levels of US Soccer"

"This is a pathway for our athletes to compete at a higher, more visible level, with a larger identity footprint that will help our athletes graduate to upper levels of competition more frequently. This is a very exciting time for FC Premier", said Dave Sabet, Executive Director FC Premier."

Tryouts will be held December 10th through 13th.
